**Morgans Hotel Group Unveils Miami Nightlife Lineup for Art Basel 2012**

*Distinguished Hotel Group Debuts Unsurpassed Nightlife at Delano and Shore Club*

**(December, 2012)** Miami Beach, FL. – Long known for superior Art Basel programming, Morgans Hotel Group has raised the bar for the 2012 art fair in Miami, bringing several national and global nightlife partnerships to the stage. French nightlife impresario, Arnaud Frisch, renowned designer Antoine Caton and industry legends Matt Kliegman and Carlos Quirarte are amongst the Art Basel transplants, bringing their celebrated nightspots to life inside venues at Morgans Hotel Groups' Miami properties. Shore Club and Delano will pay homage to the festival's national and international visitors with the debut of **Silencio** at Delano, **Westway** at Shore Club, and the introduction of **ELEW**, the acclaimed artist in residence at Delano for Art Basel.

Delano, Morgans Hotel Group's Iconic South Beach property, will temporarily shut down its signature lounge FDR for the week, to make room for the David Lynch designed Paris nightclub, *Silencio*. *Silencio* creates a universe within an intimate space where arts of every discipline come together. Like the Paris club, *Silencio* leaves no detail to chance with the Miami pop up, showcasing key elements the Paris hotspot has become known for. *Silencio* at FDR will be open from Tuesday, December 4<sup>th</sup> through Saturday December 8<sup>th</sup> from 11PM onward.

Modern pop artist and musical revolutionary, **ELEW**, will also take residence at Delano during Art Basel, entertaining guests with his own brand of Rockjazz in the lobby alongside Delano's Rose Bar. ELEW can be heard from Tuesday, December 4<sup>th</sup> through Saturday December 8<sup>th</sup> beginning at 11PM in the hotel's lobby.

Just two blocks away, Morgans Hotel Group's Shore Club will import some New York flavor for the festival by bringing back Matt Kliegman and Carlos Quirarte's *Westway* pop-up to the property's infamous RedRoom. The New York hipster-chic club, often visited by celebrities and scenesters including Mary-Kate Olsen and Kirsten Dunst, will return for its second year at Shore Club for Art Basel. *Westway* at RedRoom will open from Thursday, December 6<sup>th</sup> through Saturday December 8<sup>th</sup> at 11PM. This year, Kliegman and Quirarte are taking their talents to the day scene as well with their new *Westgay Pool Party* at Shore Club on December 8<sup>th</sup> from 4PM-11PM. The party will be hosted by *Frankie Sharp* with music by *The Scissor Sisters' Jake Shears*. Guests can also expect performances from *LE1F* and *Brooke Candy*.
