**Brazil's Top DJs Are Back for More - Rio Saturdays @Mondrian South Beach WMC Edition**

**Miami Beach, FL (January 2013)** – As Miami Beach is getting ready to welcome the world's music industry to its shores for Winter Music Conference (WMC) and Ultra Music Festival in March, Morgans Hotel Group has secured Brazil's premier electronic music DJs to perform once again at Mondrian South Beach on Saturday, March 23<sup>rd</sup>.

"WMC and Ultra are dance music's counterpart to the Cannes Film Festival; for ten non-stop days and nights the top artists from around the world will be spinning their mixes in our hometown," said Alex Novo, General Manager of Mondrian South Beach. "After last year's successful Rio Saturdays @Mondrian WMC Edition, we couldn't pass up the chance to collaborate again with Plus Talent and CR2 Records to showcase their hot and emerging acts from Brazil. This year we will bring to Mondrian an unstoppable line-up and deliver South Beach's best pool party!"

Back for a repeat performance, renowned Brazilian artist Mario Fischetti and special guest, UK's very own spin master, MYNC will headline the event said Novo. Their collaboration, *LIVE Ibiza to Brasil* catapulted straight into the Brazilian top three album charts last year and together they continue to be ambassadors for house music worldwide. Aside from Fischetti, Rio Saturdays @Mondrian WMC Edition will feature other well-known Brazilian DJs such as Marcelo CIC, Diego Moura, and Leo Janeiro. The festivities will begin poolside at 1 p.m. and will have guests dancing well into the evening to the creative beats of this stellar group of talent.

"Mondrian South Beach is an incredible stage for our artists to perform; it is relevant, trendy and hip." said Edo Van Duyn, Director of Plus Talent. "The previous pool party had an incredible turnout where hotel guests, Miami locals and conference participants enjoyed a truly unique and dynamic musical experience.
